

Reminder Checklist

To be best prepared for your field trip to the Project Survival Cat Haven, please review the following recommendations to make your trip comfortable.

- Bring a light jacket or sweatshirt as the Cat Haven can be a bit cooler
- Make sure you wear good walking shoes – no flip-flops or high-heels
- Bring a drink for the tour; we have no water fountains on-site. Drinks are available for purchase, but drinks can always be brought in for your tour.
- Don't forget your camera; take as many pictures as you like
- Bring a hat or sun block to protect your skin on sunny days
- Money for the gift shop; we have drinks and snacks available for purchase as well as cat-themed souvenirs. Souvenir pricing starts at just \$.50
- Bagged lunch if you will be eating at our facility; we have picnic tables available which overlook the Tiger enclosure

Teachers: make sure you bring a cooler for the food and drinks as we do not have refrigeration available

- A GREAT ATTITUDE! You will be seeing more than 25 exotic and endangered cats. Be ready to have fun, ask questions and learn about the wild cats of the world.
